COMPANY PROFILE

About Company

Bohlokoa Business Consultancy (BBC) is a Bloemfontein and Midrand based business consultancy company specialising in enterprise development services and training. We are a Services Seta (Accreditation No: 13561) Skills Development Practitioner. The company was established with the intention of playing its part in enterprise development and human capital development space. We are in the process of moving our legacy accreditations to QCTO.

BBC acknowledges and supports the government's call to reduce poverty through entrepreneurship and skilled labour force. Entrepreneurship has indeed been proven to be a catalyst for sustainable employment creation and thus eradication of poverty across sectors. We plan to serve the small enterprise development space through various interventions ranging from advisory services, personnel development & training, SMME training and learnerships, mentorship and business proposal/plan conceptualisation. We have in-house Skills Development Practitioner and a number of contracted ETD Practitioners for POE assessments and moderation.

All the services we offer are professionally delivered with a single point of contact to the benefit of our clients. We distinguish ourselves from other consultancy companies as we are service driven and always learning the new ways to
